Speaker Biography

Julie Kavanagh BVM MRCVS

Julie qualified from University College Dublin in 2012. She spent two years in first opinion small animal practice before embarking on a rotating internship, followed by a cardiology-specific internship at Davies Veterinary Specialists in Hertforshire. She began her cardiology residency at the Royal Veterinary College in 2016 and obtained the American Diploma in Cardiology in June 2019.

Julie enjoys all aspects of cardiology but is particularly passionate about congenital heart disease and arrhythmias.
